IN THE COURT OF APPEAL OF THE STATE OF CALIFORNIA
THIRD APPELLATE DISTRICT
(Sacramento)

THE PEOPLE,

Plaintiff and Respondent,

v.

MICHAEL WAYNE DEED,

Defendant and Appellant.

C058314

(Super. Ct. No. 06F07879)

Pursuant to a negotiated settlement, defendant pled no contest to charges of driving under the influence with three or more prior driving under the influence convictions and to driving with a suspended license, and he admitted a prior strike conviction in exchange for a four-year prison term and the dismissal of an additional count. The court imposed the agreed upon four-year sentence and ordered restitution of \$400 in accordance with Penal Code sections 1202.4 and 1202.45.

FACTS

Defendant was stopped by police officers because he was driving the wrong way on a one-way street. His blood-alcohol level was .21.

DISPOSITION

We appointed counsel to represent defendant on appeal. Counsel filed an opening brief that sets forth the facts of the case and requests this court to review the record and determine whether there are any arguable issues on appeal. (*People v. Wende* (1979) 25 Cal.3d 436.) Defendant was advised by counsel of the right to file a supplemental brief within 30 days of the date of filing of the opening brief. More than 30 days elapsed, and we received no communication from defendant. Having undertaken an examination of the entire record, we find no arguable error that would result in a disposition more favorable to defendant.

The judgment is affirmed.
